Information Session

Certificate IV in Work Health & Safety

(BSB41415)

Catholic Safety Health & Welfare SA (CSHW) will be delivering the Certificate IV in Work Health and Safety (WHS) in 2018. The Certificate is a Nationally Recognised Qualification and is suitable for people currently working in WHS, or those seeking to pursue a career in this profession.

Cost for the Qualification: \$2,000

This information session will provide further details on how the training will be presented, learner requirements, the application process and recognition of prior learning. Individual units of competency may be completed and a Statement of Attainment issued.

If you are interested in attending the information session or have any questions regarding the Certificate IV in Work Health and Safety, please call CSHW on 8215 6850.
